

Our Mission Statement:

Building foundations for a happy and successful life

Our vision:

To foster in every child a sense of their own individuality and to do this by delivering a meaningful and exciting curriculum that is:

- taught by passionate and inspiring people (from teaching staff to parents),
- that engages every child enabling them to identify and use their own particular skills and talents
- and leads to outstanding progress in all areas.

To ensure our close family community and core values of

- Wisdom
- Integrity
- Friendship

Help us all to

- engage in respectful relationships with others
- develop a sense of responsibility and confidence
- and drive a thirst for learning

leading to excellence in both academic learning and personal conduct

We aim to achieve this by making sure that:

Leadership & Management

- Encourages enthusiasm for lifelong learning and personal development for all members of our school community
- Makes sure the school, continues to be an integral part of the community securing its viability for future generations

Teaching Learning & Assessment

- Develops a sense of responsibility and respect for ourselves, for others and for the world in which we live, enabling us to make considered, confident and informed choices about our lives
- Promotes Christian values and an awareness of the value of life itself whilst fostering a sensitivity towards the beliefs and values of others
- Prepares for the future challenges of education and of adult life
- Develops independence as well as team-working skills
- Enables good communication through a variety of methods including effective use of ICT

And that Personal Development, Behavior & Welfare

- Encourages reflection about self, learning and personal growth
- Makes us mindful of our own safety and the safety and welfare of others
- Helps us build and maintain positive relationships
