Lewknor Church of England Primary School
Admissions Policy

May 2016 – May 2017

Starting School

Children who will be five during an academic year are of statutory school age and will attend school full-time from the September of the start of that academic year. The headteacher, may on occasion agree for a child who is not yet 5 to have a regular full day out of school each week before the start of the half-term in which the child is five. This arrangement would be permanent and does not mean the child can be taken out of school on an ad-hoc basis.

Admission Process

Admissions for entry into the Foundation Stage, as well as in-year admissions to other year groups, are co-ordinated by the local authority, Oxfordshire County Council as we are a voluntary controlled Church of England school.

The Admissions process is explained in detail on the OCC website and parents/ carers can apply directly online for school places. If you are unable to apply on line you can request an application form from the school.
