GENEROUS DONATION

I would like to thank the former parent of Lewknor Primary for her continued support of the school. The parent, who wishes to remain anonymous, makes a very generous donation every year to help us develop the arts curriculum. This year we have used the funding to buy a new scheme of work called PlanBee, which is full of excellent ideas and activities for the children. We have been able to buy lots of new resources such as pastel and charcoal sticks and paints. The funding also means that we have once again been able to book the wonderful K'z Dance Entertainment (above) to bring back some Bollywood magic for the children. Watch this space!

CREATION STATION MESSY SPACE ARTS

Our art after-school club Creation Station, which runs every Monday, is still proving popular (though there are some spaces available at the moment). Here the children are making paintings of our solar system. I think you will enjoy these photos.

IT'S WHEELIE EXCITING LEARNING TO RIDE A BIKE (WITHOUT STABILISERS)

Harriet, in the Reception class, who is pictured above and above left, was very keen to show me that she could ride a two-wheeler bike without stabilisers. She had been practising on her bike at home. She was soon joined by Robin (top right) at after-school care club. And Calla (pictured left) was quite nifty on the trike too!

LEADERS OF THE PACK

This lovely photo on the right shows brother and sister Francis and Violet dressed in their Cub and Beaver uniforms for the St George's Day parade. It was part of their duties to parade with all the local groups through Princes Risborough and on to the church where they took part in a St George's Day service.

Violet was given the responsibility and honour of carrying the flag for the Beavers, which she did very well and with a huge smile on her face.

Francis and Violet attend Cubs and Beavers in Stokenchurch every week and get to take part in many fun activities, and go camping together.

Mum Shellie said: "We are very proud of them and they asked us to share some pictures with the school but I'm sure they have told all about it!"

They certainly did and we are very proud of them too! They look very smart in their uniforms.

GO ON, BAKE SOMEONE HAPPY!

Here is Kit cooking up a treat for his friends and family. Kit loves to bake and he's turning out to be quite the master chef. The above photos show Kit making some coloured cup cakes, which he later decorated. Delicious!

Every week in our school newsletter, we will include a prayer and a Bible reading. These are taken from our new Jigsaw scheme of work for PSHE (Personal, Social, Health Education) and RE (Religious Education) and are shared with the children in class and at whole school assemblies.

PRAYER OF THE WEEK

Dear God

We give thanks for our ears to listen, eyes to see with and hands to show how much we care. Let us always try to put ourselves in the place of others and treat them with respect and love.

Amen

COLLECTIVE WORSHIP THEMES FOR SUMMER 2023 RELATIONSHIPS

THOUGHT OF THE WEEK

Colossians 3: 9-10, 19-17

Do not lie to each other, since you have taken off your old self with its practices and have put on the new self, which is being renewed in knowledge in the image of God. Let the message of Christ dwell among you richly as you teach and help one another with all wisdom through psalms, hymns and songs from the Spirit, singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus giving thanks to God the Father through him.
