DATE FOR YOUR DIARY

The FOLS (Friends of Lewknor School) AGM will take place on Monday 23rd November, at 7pm. It would be fantastic if all our parents could log onto the Zoom link to find out all about the terrific FOLS team and the wonderful work they do.

FOLS not only raise funds for our children's education (they donated a whopping £7,000 last year!) but they also create a strong sense of community within the school. New members are always welcome. You may think that you do not have a lot of time to spare but a few minutes here and there can make a big difference.

To make contact on the night, please log onto <https://meet.google.com/zsg-uphh-vep>

Hope to see you there! And a big thank you to the team for keeping things going in these tricky times.

Headteacher's Welcome

LOWER JUNIORS TAKE A TASTE TEST AND GIVE LESSON TOP MARKS

The children in the Lower Juniors class have been learning about nutrition and well-balanced diets as part of the Design and Technology (DT) curriculum. They made sandwiches with several different fillings including a variety of hams, tuna, cheese, cucumber, pepper, lettuce and even corn (for vegetarians). The children sampled different types of bread and dressings such as mayonnaise. And some brave children even tasted some foods that they had never tried before. Children learnt that all food is good but it is important to eat healthily. Charlie and Holly are pictured above with their sandwiches. They look delicious!

FOREVER AUTUMN - NO MOODY BLUES FOR OUR CHILDREN AT AFTER SCHOOL CLUB

Basia always makes sure the children who go to After School Care Club get plenty of fresh air and exercise every day. Here they are pictured getting stuck into some leaf clearing. Thank you Cally, Emilie, Amelie, Raffi and Charlie for keeping the playground tidy, and I know you had some great fun playing in the leaves as well - so much better than being stuck in front of a computer!

LOWER JUNIORS RECREATE ANCIENT SKARA BRAE SETTLEMENT

Here the Lower Junior children are learning all about the Scottish settlement Skara Brae, which is older than Stonehenge and the Great Pyramids. The settlement, which consists of eight stone-built houses dates back to between 3180 BC and 2500BC. It has been called the Scottish Pompeii because it is so well preserved, and it is Europe's most complete Neolithic village.

Skara Brae is located on the Bay of Skaill on the west coast of Mainland, the largest island in the Orkney archipelago.

The children painstakingly recreated their own settlements out of playdough for a class display.

BANK DETAILS

We are keen to support the school as much as we can financially, although this year our fundraising will be lower than usual due to the current situation. This may mean that we will be unable to fund all the trips and licenses we usually do. We appreciate that many families are struggling financially, but for those who would like to support us by donating money that they would usually have been spent at our fundraising events, and are in a position to do so, we are providing our bank details.

Wishing every child and family at Lewknor School well.
