

Lewknor C of E Primary School

PE and Sport Premium Report

March 2018

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way to use the money.

For example, the funding can be used to:

- hire qualified sports coaches to work with teachers;
- provide existing staff with training or resources to help them teach PE and sport more effectively;
- introduce new sports or activities and encourage more pupils to take up sport;
- support and involve the least active children by running or extending school sports clubs;
- run sport competitions;
- increase pupils' participation in sport;
- run sports activities with other schools.

Accountability

- Since September 2013, Ofsted inspections report on how primary schools spend their PE and sport premium funding.
- Additionally, schools must publish details of how the PE and sport premium funding is spent on the school's website.

Lewknor C of E Primary School's Policy includes:

- PE and sport premium allocation for the current academic year;
- details of how we intend to spend our allocation;
- details of how we spent our previous academic year's allocation;
- how it made a difference to the PE and sport participation and attainment of the pupils who attract the funding;
- information on hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE;
- paying for professional development opportunities for teachers in PE and sport;
- providing cover to release primary teachers for professional development in PE and sport;
- running sport competitions, or increasing pupils' participation in sport;

- buying quality-assured professional development modules or materials for PE and sport;
- providing places for pupils on after school sports clubs.

School Aims

We want our children to:

- enjoy a range of sporting opportunities that they might not otherwise experience;
- lead healthy lifestyles;
- develop fitness;
- develop PE skills and learn about tactics;
- participate in competitions both in school and against other schools;
- learn to be good sportsmen and women, ie, win and lose with dignity;
- have at least two hours PE every week with more time devoted to PE in the summer term.

We also want our staff to have the knowledge and skills to deliver outstanding lessons.

Assessment

At Lewknor Church of England Primary School we assess the fitness of every child at the beginning, middle and end of every school year to ensure that they lead healthy and fit lifestyles. We use the Cooper Run test for children in Year 1 to Year 6.

PE and Sports Premium Spend April 2017- March2018 and April 2018- March2019

Funding	April 2017-March 2018	April 2018-March 2019

Balance	4,758	4,413

IMPACT

PROJECTS	COSTS	IMPACT
<p>Professional coaches work with and provide CPD for staff (three times a week).</p> <p>Two members of staff have also been trained to become swimming coaches.</p> <p>This includes hire of the village hall for PE lessons.</p>	High	<p>Quality-assured professional training for staff to raise their confidence and competence in teaching PE.</p> <p>Staff deliver high quality lessons to children.</p> <p>Children develop and learn new skills.</p> <p>Children participate in a variety of sports and games.</p>
<p>Sport events, eg, extra football, judo competitions, American football</p> <p>Extra PE sessions for Infants class</p> <p>American Football</p> <p>Sports Relief /Science investigations (heart beat and pulse rate/ general fitness / healthy eating)</p> <p>Extra summer events, eg, team club</p> <p>Daily lunchtime sports club</p>	High	<p>Children learn skills and team tactics at an earlier age.</p> <p>Children have enriching experiences they might not otherwise have.</p> <p>All children learn new skills.</p> <p>High quality teaching from professional coaches.</p> <p>High level of participation and enjoyment.</p> <p>Children learn about health benefits of exercise.</p> <p>Children learn to work as a team. They take part in more competitions and tournaments.</p> <p>Children enjoy range of lunchtime sports activities, which helps teach them good sportsmanship as well as new skills.</p>
School to host cricket partnership event in June 2018.	School to investigate	<p>Children develop cricket skills.</p> <p>Children learn how to organise (plan costs etc) and host event.</p> <p>Wider school community involved to help – governors, dads, TAs.</p>
Other partnership events, for example, football, high-five netball, quad kids.	School to investigate, eg, transport costs.	Increased enjoyment, developing new skills, children learn tactics and how to behave as good sportsmen and women.

Other projects at school include:

- Weekly cross-country after school club (Autumn and summer terms).
- Lunchtime fun and games club, which is organised by children in Upper Juniors.
- Daily lunchtime sports club, which is run by teaching assistant Paul Weston.

We also offer:

- Weekly judo club.
- Residential trips – Kilvrough, Croft Farm and Kingswood. Children experience adventure activities, eg, rock climbing in Gower Peninsular and caving in Brecon Beacons. Children learn to work as a team, become team leaders. This experience builds relationships and peer-bonding. Children also learn new skills in a challenging but fun environment. Children also learn about safety and risk-taking.

Future Projects

- Partnership Cricket Tournament – professional coaches deliver whole day coaching – cricket tournament.
IMPACT
Children have increased enjoyment in activities
Gives children experiences they might not otherwise have
Children learn new skills
- More enrichment activities, eg, sailing
IMPACT
Children have increased enjoyment in activities
Gives children experiences they might not otherwise have
Children learn new skills
- Team training – professional coaches to help build football / tag rugby / netball team so that children have more opportunities to take part in competitions outside the partnership.

Research shows that offering children a range of PE and sporting opportunities has a knock-on effect on school behaviour, attendance and attainment. It also provides schools with a vehicle for developing a sense of belonging, confidence and competence in our pupils.
