## A message from the head teacher...

Dear Parents, firstly a big welcome back post Easter holidays to all our families, the sun has greeted our return and we have been busy practising for Friday's May Day celebrations and generally making use of our outside spaces.

Yesterday we had our new sports coach, children practising maypole and EYFS using their outside area going on at once yesterday morning and it was lovely sight to see in the sun. Lots of children enjoying a really varied educational offering.

In other news, as I am sure you are aware, we had an Ofsted inspection which took place last week.

We cannot share any details of the report with you or the outcome itself but the children were fantastic and the staff worked so hard to show Lewknor in its best light.

The final report will be available to parents in around 6 weeks following a drafting and checking process.

Thank you to all parents who completed the Ofsted parent survey, your views are available to view now via the link below:

We had some simply fantastic responses on the survey so thank you for that show of support, it means a huge amount to the staff to have your backing.

### Key Headlines from the parent survey:

100% of parents agree or strongly agree 'my child is happy at this school'

100% of parents agree or strongly agree 'my child is safe at this school'

100% of parents agree or strongly agree 'pupils behave at his school'

100% of parents agree or strongly agree or 'I would recommend this school to another parent'
