BIG ME DAY ON FRIDAY!

Don't forget we are holding our Big Me Day on Friday 18th October.

This is a chance for children to learn about all the different careers they can have when the time comes for them to leave education.

Parents have volunteered to come into school to talk about their jobs, and the children get to dress up to show what they would like to be when they leave school or university.

Last year Charlie (above) came dressed as a rock star while brother Freddie (below) came as a palaeontologist!

Headteacher's Welcome

UPPER JUNIORS LEARN ABOUT EVOLUTION ON SCHOOL TRIP

The Upper Juniors (pictured above with Miss Lawes and Mrs Birch) visited Oxford's University Museum of Natural History to learn all about evolution, which is part of the science curriculum.

They learned that the first animals evolved in the sea over half a billion years ago. They discovered how animals have adapted to the environment in order to survive and how fossils can show how various animals have evolved.

The children had a tour of the many interesting exhibitions and even had the chance to handle some of the live critters.

ART IN LOWER JUNIORS

The children in the Lower Juniors class are studying Ancient Egypt and here they are pictured making Egyptian mummies out of clay. The children planned and designed their work first, then modelled the clay. The models will be painted and are to be displayed during our Transformation Evening on Thursday 14th November.

We recently received an extremely generous gift from one of our parents to go towards the art curriculum. The teachers and I are extremely grateful and we have already purchased a raft of new resources to make the arts at Lewknor even more exciting!

The Infants

Last week we featured photos of the new reception class, and this week it is the Infants' turn. Here they are looking very well-behaved and serious (above), while below it looks like they are letting off a bit of steam (or having a bit of fun!). I wish all the children a very happy school year.

Ideas for a 'healthy' lunchbox.....

A healthy packed lunch should include something from each of the four main food groups -

starchy carbohydrates (bread, rice, potatoes, pasta), fruit and vegetables, protein containing foods (meat, fish, eggs and beans), and milk and dairy foods – as well as a drink. Here are some ideas of items for each group:

Starchy carbohydrates

A sandwich/roll/wrap/pitta bread (trying using wholegrain varieties or 50/50)

Pasta/couscous/rice

Protein filling

Lean meat/chicken/turkey (add lettuce or tomatoes!)

Fish/tuna (add cucumber or peppers!)

Eggs

Beans

Fruit and vegetables

Chop raw vegetable crudités such as carrot sticks which can be great for dipping in hummus

Fresh fruit (apple, grapes, banana, kiwi)

Dried fruits (raisins, apricots)

Dairy

Low fat yoghurt – plain or fruit (watch out for those high in sugar!)

Small pot of rice pudding

Low fat cheese slices

Added extras

Plain popcorn or reduced fat crisps

Sugar-free jelly pot

A plain biscuit

(There's nothing wrong with this, just try to make healthier choices when you can)

Put in a drink – It is important to stay hydrated, so give your child a bottle of plain water, plain milk (skimmed or semi-skimmed), or no added-sugar fruit juice
