Monday 21st June, 2021

Headteacher awards go to Georgie for cycling to school and back home once a week. Georgie covers 12 kilometres on one round trip. This not only develops her fitness but is one little step in saving the planet. Well done, Georgie! Daisy also receives an award because she reacted with maturity when she discovered her mum was stuck in traffic and unable to pick her up from school. Daisy just got on her bike and cycled home without fussing. Both girls are cycling superstars!

Headteacher's Welcome

CHILDREN OVER THE MOON ABOUT PARTIAL ECLIPSE

The whole school gathered with much excitement in the playground to watch the partial eclipse of the sun on 10th June. The children were warned not to look directly at the sun but they were able to view the eclipse in a variety of ways.

Brothers Freddie and Charlie had kindly brought in solar eclipse glasses from home to share with the children in their class bubbles. This meant the children could get a great view of the partial eclipse while remaining safe.

The children had also made pinhole viewers out of paper and card. The light from the sun entered the pinhole on the card, and an image of the sun could be seen on the paper.

The children could then watch safely how the eclipse formed when the moon passed in front of the sun, partially blocking it. There were lots of 'oohs' and 'aahs' from the children but also 'oh nos' when a cloud passed over! I think the children really enjoyed the super science lesson.

UPPER JUNIORS MAKE CAM TOYS IN DESIGN TECHNOLOGY LESSON

The children in Upper Juniors learned a little bit of mechanical engineering when they made cam toys as part of the design technology curriculum. The cam is basically a circle or square made from card, plastic or wood, which is attached to a crank. When the children turn the crank, the cam moves the toy upwards so that it pops up at the top of the box. The children chose what they wanted to make for a toy, for example, Stanley chose a UFO, Laurence a cat and Riley a rocket, and their results can be seen on this page and the next two pages. I thought they were all fantastic!

Every week in our school newsletter, we will include a prayer and a Bible reading. These are taken from our new Jigsaw scheme of work for PSHE (Personal, Social, Health Education) and RE (Religious Education) and are shared with the children in class and at whole school assemblies.

PRAYER OF THE WEEK

**Changing Me (know how to express how you feel
when change happens)**

Lord,

Thank you for the work that is progressing in us, the changes
that we can see and those that we can't. Help us to accept and
respect these changes. Amen

We understand that this is a very difficult time for many, but we want to take this opportunity to remind you about Easyfundraising.

You can use Easyfundraising to raise money for Friends of Lewknor School, without spending a penny! It's simple to set up an account and when you shop through the website or app, you earn valuable money for us, at no cost to yourself.

If you haven't already registered, please take a look on the following page to see how shopping with the companies registered with Easyfundraising can boost our fundraising pot!

CARD READER NEWS!

We are very excited to tell you that FoLS now have a card reader! Over the coming months we will be able to use this at many events, which we hope will make it easier for parents and the committee.

BANK DETAILS

We are keen to support the school as much as we can financially, although this year our fundraising will be lower than usual due to the current situation. This may mean that we will be unable to fund all the trips and licenses we usually do. We appreciate that many families are struggling financially, but for those who would like to support us by donating money that they would usually have been spent at our fundraising events, and are in a position to do so, we are providing our bank details.

Wishing every child and family at Lewknor School well.
