CALLING ALL POTTERS!

We would be delighted to welcome a local potter into school to work with our Year 5 and 6 children (10 and 11 year olds).

If you are a potter or you know one who would be interested in popping in to work with our children on a voluntary basis in the near future, please contact us at office.3184@lewknor.oxon.sch.uk and we will arrange for Miss Lawes (the Upper Juniors class teacher) to make contact.

If we are unable to find a local potter to come in, then we wondered if anyone in the local community might have a kiln that we could use to fire the children's clay work? If anyone is able to help then please contact us as soon as possible. Thank you.

Headteacher's Welcome

NEW PHOTOGRAPHY CLUB STARTS

SNAP HAPPY! Our new photography club started last Monday thanks to professional photographer and Stanley and Wilfred's mum Luarena, who will be running the club over six weeks. The children will be learning the basics of using a digital camera, talking a bit about lighting and a lot about aspects of composition - learning the rules of how to make a good photo. They will review their work with constructive criticism and the final session will include an exhibition of their best work printed and mounted. Parents will be invited to the exhibition to see the prints on display.

WHAT'S COOKING?

Our very popular cookery club continues to run after school on Mondays. Here we see Laurence, Scarlet, Olivia and Jasper baking apple flapjacks with Mrs Elliot, who runs the club. Children will also be making sausage and bean hotpot, chocolate chip cookies, mini jammy cakes, pizza and vegetarian chilli this term.

We can only take six children each session but we do try to make sure that all children, who are interested, get a go at some stage during the year.

The club, which runs until 4.45pm costs £5 a session, which is great value!

Along with photography and cookery on Mondays, we also run an after school care club until 5.30pm every day Monday to Friday. Mrs Birch organises a range of activities including arts and crafts and board games. Children even have the chance to do their homework, which frees up time when they get home.

NEW SCIENCE CLUB STARTS TOO!

Our very popular science teacher Nitro Jen, who works for Bright Sparks Science, has returned to Lewknor for another exciting six week science club.

Last week the children learned all about the science of sight and how we see things. They looked at lots of optical illusions and made a thaumatrope, an optical toy, to take home.

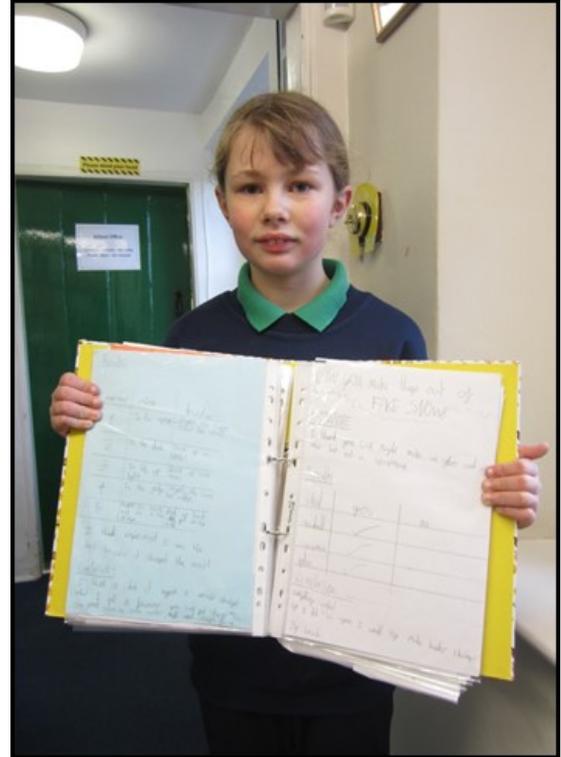

Above: Science teacher Nitro Jen with her band of super scientists! This was a very exciting first session and one child was heard to say: "Wow! That's the coolest thing I have ever seen!"

STAR PUPIL—LEAH SHINES!

At the end of last term, the children in the Upper Juniors class were having lots of fun making fake snow as part of a science lesson. The lesson clearly inspired Leah, who went on to do extra homework over the Christmas holidays. Leah investigated what would happen if she kept a sample of fake snow in different places such as: in the open, in the dark, in 'lots of light', in the fridge, and wrapped in a towel and put in the fridge. She wrote how she made the test fair, recorded her results in a scientific table and wrote up a conclusion. She then conducted two other experiments to find out what happened when you put fake snow in different amounts of water and if she was able to make different objects out of fake snow, for example, a snowman and an igloo! She wrote her predictions, described how she conducted the experiments, recorded her results once again and wrote up her conclusions. And from all of that I conclude that Leah is a superstar super scientist! Well done, Leah.

Below are more photos of her classmates having a go at making fake snow at school.

Upper Juniors were investigating the optimum amount of water to make the perfect fake snow - sodium polyacrylate polymer. The children used pipettes and measuring cylinders to add small amounts of water to the polymer.

FRIENDSHIP TREE RAISES CASH FOR CHARITY

Elliott's Friendship Christmas tree raised £20.

Children and staff donated £1 to write their Christmas message on a sheet of card, which was laminated and attached to the tree.

This has become a Lewknor Christmas tradition and Elliot first came up with the idea for a friendship tree three years ago.

Elliott, who is pictured left with the tree, has asked that the funds go towards a cancer charity and so we will donate it to the Macmillan Cancer Support, which is a charity school has supported over the past few years.

Thank you Elliott and mum Dawn for providing the tree and for having such a great idea!

Ideas for a 'healthy' lunchbox.....

A healthy packed lunch should include something from each of the four main food groups -

starchy carbohydrates (bread, rice, potatoes, pasta), fruit and vegetables, protein containing foods (meat, fish, eggs and beans), and milk and dairy foods – as well as a drink. Here are some ideas of items for each group:

Starchy carbohydrates

- A sandwich/roll/wrap/pitta bread (trying using wholegrain varieties or 50/50)
- Pasta/couscous/rice

Protein filling

- Lean meat/chicken/turkey (add lettuce or tomatoes!)
- Fish/tuna (add cucumber or peppers!)
- Eggs
- Beans

Fruit and vegetables

- Chop raw vegetable crudités such as carrot sticks which can be great for dipping in hummus
- Fresh fruit (apple, grapes, banana, kiwi)
- Dried fruits (raisins, apricots)

Dairy

- Low fat yoghurt – plain or fruit (watch out for those high in sugar!)
- Small pot of rice pudding
- Low fat cheese slices

Added extras

- Plain popcorn or reduced fat crisps
- Sugar-free jelly pot
- A plain biscuit
- (There's nothing wrong with this, just try to make healthier choices when you can)

Put in a drink – It is important to stay hydrated, so give your child a bottle of plain water, plain milk (skimmed or semi-skimmed), or no added-sugar fruit juice

FREE SCHOOL MEAL ENTITLEMENT

From April 2015, the threshold figure which forms part of the tax credit free school meal eligibility category is £16,190.

Pupils whose parents/carers receive the following support payments are entitled to free school meals (assuming the parent does not receive Working Tax Credit). Under the current criteria, children who receive, or whose parents receive, one or more of the following support payments are entitled to receive free school meals and eligible for two-year-old funding:-

- Income-based and contribution-based Jobseekers Allowance or ESA on an equal basis
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income, as assessed by Her Majesty's Revenue and Customs, that does not exceed £16,190
- Guaranteed Element of State Pension Credit
- Where a parent is entitled to Working Tax Credit run-on (the payment someone receives for a further four weeks after they stop qualifying for Working Tax Credit).
- Support under part VI of the Immigration and Asylum Act 1999.
- Working Tax Credit, provided they have an annual gross income of no more than £16,190 per year (eligible for two-year-old funding only)
- Universal Credit

If you believe your child may be eligible to receive free school meals, please complete an application form and return it to the school office **as soon as possible**. Application forms can be downloaded from the school website or found in paper form in the letter rack at school. There is a very simple, confidential, process we can run through Oxfordshire County Council to check eligibility.
