CAREER CHANGE FOR CLAIRE

Our super TA Claire Birch will be leaving Lewknor at February half-term to care for adults with learning difficulties and autism. This is an area that Claire worked in before she started her job at Lewknor Primary in September 2012.

Now that her son has left school and is in employment, Claire is able to work throughout the year and not just term time. This means she will be able to earn a bit more (as well as take holidays whenever she wants to!)

Claire has said she does NOT want a fuss when she goes but we will certainly mark the occasion at school.

I would like to reassure parents that the breakfast club and the after-school care club will continue after February half-term so please do keep booking places for your children. Arrangements to provide TA cover for the Upper Juniors' class are also being finalised.

In the meantime I am sure you will want to wish Claire the very best for her future and commend her for all her wonderful work at Lewknor.

Headteacher's Welcome

SCIENCE CLUB GETS OFF TO A SUPER START!

Bright Sparks super scientist Ballistic Brendon visited Lewknor last week to kick off an exciting six-week after-school science programme. For the first session our own band of 14 super curious scientists were introduced to the subject of light. They discovered what light is and where it comes from. They explored the rainbow of light using diffraction glasses and took a close look at lasers to find out how light can bend. They learned that black objects absorb light while white objects reflect light. India, Lexi and Livvy, who are pictured above, made pictures to test that very idea. The children were also able to use some scientific vocabulary and explain what was meant by translucent, transparent and opaque objects. They made shadow puppets to demonstrate, see below, that light does not travel through opaque objects (the puppets).

Above: the children make a spooky puppet theatre

Above: Camille and Emrys discover the science behind the puppet theatre of light, while Livvy and Stanley enjoy the show!

The Light Fantastic—more science experiments

Above: scientists Jess, Marie, Lexi, India, Elliot, Leah and Theo discover how light can change colours when they are mixed together, and it's so much more fun to work in the dark!

SUPER SWIMMER SISTERS

Sisters Thea and Aria, pictured left, received swimming certificates and badges galore from Swim England at the Friday celebration assembly last week.

Aria has completed Stage 4 of the Learn to Swim programme, which means she can swim 10 metres. The next step is for Aria to learn to tread water. She was also awarded a certificate and badge for Stage 3 water skills. This means Aria can do a tuck float in water and exit the water without using steps among other skills.

Big sister Thea is pictured above with her Personal Survival certificate and badge. Thea is able to tread water for two minutes and swim 50 metres. She was also awarded the Stage 6 Learn to Swim certificate. Thea had to swim 10 metres wearing clothing, perform a 'shout and signal' rescue, and execute a surface dive.

Well done to both girls!

CHRISTMAS COOKIE TREATS!

As a repeat of last year's Christmas cookie-fest, children from Upper Juniors were invited to the Spaltons' house to decorate 300 cookies for the whole school!

Bea, Josie and Mary Grace provided icing, sprinkles and hundreds of tiny decorations and our children thoroughly enjoyed embellishing biscuit shapes of snowmen, Christmas trees and candy canes. A small number of broken cookies were enjoyed on the spot, but most of them made it to the piano where they were left to set (see picture left).

It was a wonderful Christmas treat and so generous of the Spaltons to provide the ingredients, the space and be left with the tidying up.

It was great to spend some time with Bea too, whom we miss! She thinks it should become a yearly event.

at work making cookies
which were shared
among all the children
at school*

IMPORTANT DATES FOR YOUR DIARY

Parents please note that Miss Harjette has organised a Stay and Learn Session from 9am to 10am on Tuesday 4th February. Parents of children in the Reception class are being invited to stay at school after registration so that they can observe how their children learn in the Early Years.

Mrs Wakefield will be inviting parents of the children in Lower Juniors to stay after school on Thursday 26th March to go through important information about the Kingswood residential trip.

FRIENDSHIP TREE RAISES CASH FOR CANCER CHARITY

Elliott's Friendship Christmas tree raised an excellent £30.

Children and staff donated £1 to write their Christmas message on a sheet of card, which was laminated and attached to the tree.

This has become a Lewknor Christmas tradition and Elliott first came up with the idea for a friendship tree four years ago.

Elliott, pictured left with his mum Dawn and the tree, has asked that the funds go towards Cancer Research, which is a very worthwhile charity.

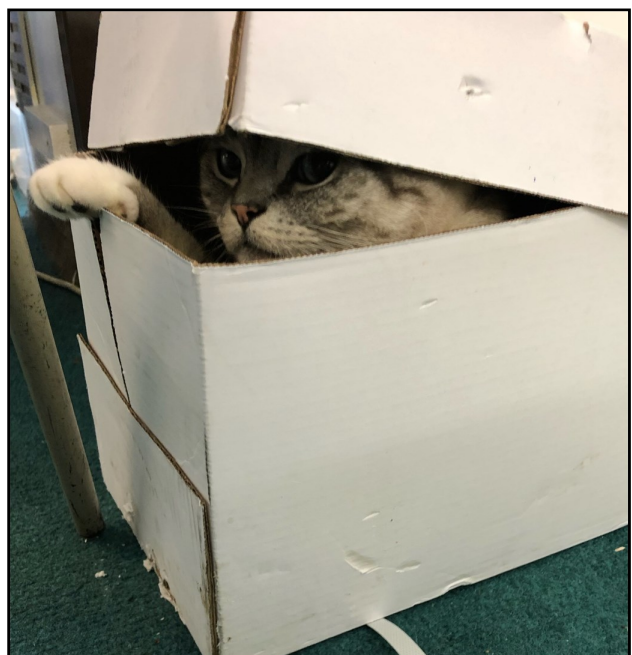

Thank you Elliott and Dawn for providing the tree and for having such a great idea!

ROCCO THE RASCALLY CAT PART 36 (but who's counting when there's that level of cuteness!)

Miss Hemmings, our TA/caretaker, gets the prize for the cutest cat picture of Rocco EVER (though some might disagree as every picture of our adopted cat is pretty adorable).

Rocco is pictured hiding in a cardboard box in the intervention room. I wonder what or who he is thinking of pouncing out on.

17th July	End of Summer Term - school finishes at 1.30am

Assemblies are held every Friday at 9.10am. Parents and members of the community are welcome to attend.

FREE SCHOOL MEAL ENTITLEMENT

From April 2015, the threshold figure which forms part of the tax credit free school meal eligibility category is £16,190.

Pupils whose parents/carers receive the following support payments are entitled to free school meals (assuming the parent does not receive Working Tax Credit). Under the current criteria, children who receive, or whose parents receive, one or more of the following support payments are entitled to receive free school meals and eligible for two-year-old funding:-

- Income-based and contribution-based Jobseekers Allowance or ESA on an equal basis
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income, as assessed by Her Majesty's Revenue and Customs, that does not exceed £16,190
- Guaranteed Element of State Pension Credit
- Where a parent is entitled to Working Tax Credit run-on (the payment someone receives for a further four weeks after they stop qualifying for Working Tax Credit).
- Support under part VI of the Immigration and Asylum Act 1999.
- Working Tax Credit, provided they have an annual gross income of no more than £16,190 per year (eligible for two-year-old funding only)
- Universal Credit

If you believe your child may be eligible to receive free school meals, please complete an application form and return it to the school office **as soon as possible**. Application forms can be downloaded from the school website or found in paper form in the letter rack at school. There is a very simple, confidential, process we can run through Oxfordshire County Council to check eligibility.
