KILVROUGH RESIDENTIAL

The Upper Juniors class (Years 5 and 6) will be heading to the Kilvrough Manor residential centre on the Gower Peninsula, in south Wales from Monday 21st to Friday 25th October.

Izzy went rock climbing at Kilvrough last year

The children will get the chance to take part in a range of exciting activities that could include caving, canoeing, body surfing in the sea, rock climbing and abseiling.

It will be an experience of a lifetime and one they will always remember.

Check out the Kilvrough website at oxfordshireoutdoorlearningservice.co.uk

SNOW JOKE! SNOWFLAKE ART IS A COOL CREATION

Pictured with their snowflakes: Ruben, Jack M, Izzy, Harrison, Calla, Aaliya-Rose, Emmeline, Esme, Pippa, Ava, Daniel, Chloe, Jack C, Harriet and Finn

Brr...temperatures may have plummeted but the snow has stayed away from Lewknor (so far!). The children in the Reception class have been learning all about winter this term. Last week they were writing winter stories. Here they are pictured with their snowflake artwork. The lovely designs certainly brighten up the classroom.

WINTER SCIENCE IN THE RECEPTION CLASS

The children had a cracking time breaking up the ice in the reception garden.

They had to think up scientific words to describe the ice.

Some children are clearly super scientists because they came up with lots of adjectives such as: cold, hard, slippery, pointy, crunchy, breakable and brittle!

AFTER-SCHOOL CARE CLUB'S LESSON IN COOL GOO!

After-school care club has grown so much in popularity that we often have around a quarter of our children attending on any one day. Some of these children come, not because their parents need to book them in because of their working hours, but simply because they love it! Some days we have to employ Miss Cameron as an extra pair of hands. Basia is also helped out by her daughter Zosia, who is pictured here making slime with the children. All the children were desperate to have a go as you can see. And the children to the right of the picture below are learning to dance while following a jazz dance internet video for children on the interactive whiteboard. Basia and Lynne, who runs the club on Wednesdays, always make sure the children spend time playing outside so that they get exercise and fresh air before they come into the classroom to take part in the many fun activities.

Every week in our school newsletter, we will include a prayer and a Bible reading. These are taken from our new Jigsaw scheme of work for PSHE (Personal, Social, Health Education) and RE (Religious Education) and are shared with the children in class and at whole school assemblies.

PRAYER OF THE WEEK

Dear Jesus

Thank you for the strength to persevere when it is difficult to continue.
Comfort and strengthen us when we feel that our efforts are in vain.
We ask this in your name.

Amen

THOUGHT OF THE WEEK

James 1: 2-5

Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything. If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.

WORD OF THE WEEK
