A message from the head teacher...

Dear parents, firstly thanks to all who attended our lovely picnic and sports day races on Friday. Not for the first time you have shown tremendous support to a school event and it really does mean a lot to us as teachers. You clearly value all that your children do in school so highly and that really shines through.

Despite temperatures of nearly 30 degrees, the cloud cover meant the weather wasn't too bad in the end and we managed to do all of our races which was great.

Well done to all children who took part, not easy running in that heat and they all did so well. The school values of '**be successful**' and '**be healthy**' really shone through as well as a good deal of passion when cheering for others.

On the subject of school values, thanks for Raffe and Robin's dad who has made signs of each school value to go up in the playground, they look great and I can't wait to put them up.

Finally, next Friday is our sponsored walk, I will be sending out full details tomorrow around logistics for the day so keep an eye out, please keep giving generously so I can purchase the ipads!

Have a great week.

Mr Powell

Dear God,
Thank You for this beautiful day,
