## BUBBLES BURST!

I know many of you will be delighted to hear that we are relaxing the 'bubble' system at school during early morning break, lunchtimes and afternoon break.

The children in Key Stage 1 (Years 1 and 2) are now playing with children in the Reception class. Children in Key Stage 2 (Years 3,4,5 and 6) are also playing together. We are hoping to start using the church for lunchtime eating so that the children can again come together. From Monday, children in Key Stage 1 will eat with the Reception children, while children in Key Stage 2 will eat together at a different time.

## Headteacher's Welcome

### AGENTS OF CHANGE ADOPT A PANDA

## BE THE CHANGE

As part of the diocesan Be The Change campaign to help children become agents of change in responding to the climate and environmental emergency, the pupils in Upper Juniors (Years 5 and 6) organised a whole school mufti day for their class project to help protect pandas. They talked to all the children at school and suggested they wear a black and white costume instead of uniform and donate £1 to help their class adopt a giant panda.

These photographs show the Upper Juniors children teaching the Infant class about the plight of the giant panda. Though they are not considered endangered, they are threatened and the World Wild Fund for Nature works with the Chinese government to set up protected areas to keep more panda habitat intact. The children have learned that the giant panda is found in the wild in just six isolated mountain ranges in Gansu, Shaanxi and Sichuan Provinces in south-central China. Pandas that live in isolated mountains are especially vulnerable to climate change - as they already have small ranges that could shrink and fragment further. Roads and railways are increasingly cutting through the forest, which isolates panda populations and prevents them from breeding. The children produced posters and information sheets (*see photos below*) to show how adoption can help protect these wonderful creatures.

## We are adopting a panda!

- We will be giving £20 every month
- We need £240 for the whole year!

As the poster on the left says, the children need to raise £240 to adopt a giant panda for a whole year. And the mufti day was hugely successful with the children donating a total of £85.30

The Upper Juniors will receive regular updates and information from the WWF to show how our school's donation is helping to support their vital work in China.

The children will also give feedback to all the other children at school too!

The children have researched the plight of the giant panda in class and have produced a number of posters that are now displayed around the school so that other children are aware of their campaign as well as the good work that will be completed because of their generous donations.

Some Upper Junior children were so excited about their class giant panda campaign that they organised a cake sale off their own bat.

Here they are pictured left with their cake stall just outside school.

Camille, Thea, Heidi, Hattie, Holly, Isaac and Freddie baked dozens of cakes and cookies. They managed to raise a whopping £101 from the sale. Two further donations of £20 came through on Facebook making a grand total of £121.

Well done, children. You are proving to be great agents of change as well as intrepid entrepreneurs!

## HARVEST DONATIONS

Thank you to everyone who kindly donated food items for our traditional Harvest hampers. The hamper boxes, which were decorated beautifully by the children, are now being delivered to the elderly in Lewknor this week.
