A message from the head teacher...

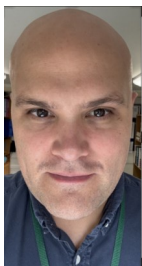

Hi all, I hope everyone is well as we approach the last week of a very busy half term! As I am writing Miss Hawkes has just popped into my office to say the handing out harvest boxes to the local community went well and one person was overwhelmed with the donation box they nearly cried! It's reminder of how small gestures can have such a big impact on people and how we should look after all members of our community.

Kilvrough is very much on the horizon now with children set to depart bright and VERY early on Monday morning, I've done a final weather check and it doesn't look too bad so fingers crossed we avoid large amounts of rain! It promises to be a great week and I'm sure children will embrace every second of their week away.

Finally, I would like to thank all parents for making me feel so welcome in my first half term at Lewknor, it really is a great place to work and the children seem so happy here. I hope all our new reception parents feel equally welcome and that Lewknor has lived up to all your expectations.

Have a great half term.

Mr Powell
