Headteacher's Welcome

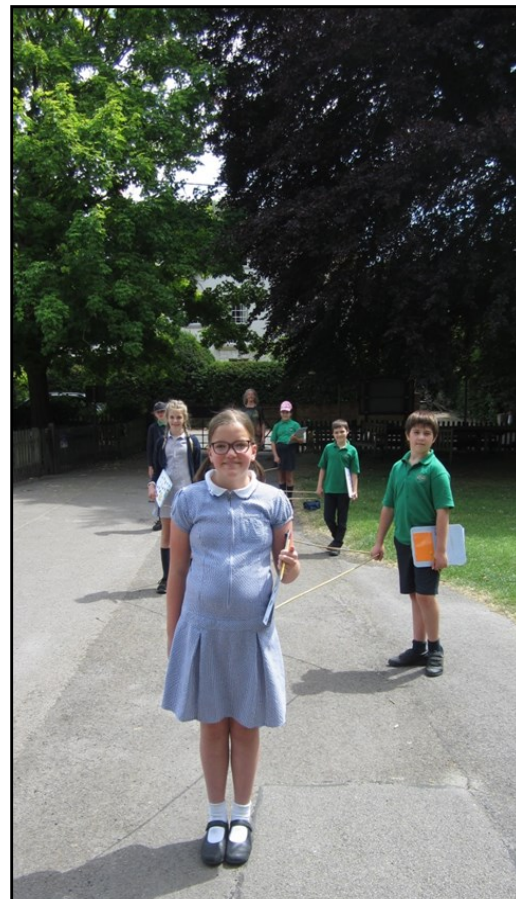

BACK TO SCHOOL!

It was so good to see the children as they arrived back at school on Monday last week.

The staggered drop-off and pick-up worked very smoothly and I want to thank all the parents for cooperating so well. First to arrive were the Year 6 children. Marie, pictured left, took some time to unload the car because she had come to school with all the projects she had completed over the past 10 weeks! I must say the teachers were impressed with the standard of work as well as the quantity- what a superstar!

Miss Lawes had a brainwave and came up with the idea of the two-metre long bamboo canes.

If one child holds one end, and another child holds the other end then the children can walk around the school site safely while keeping two metres apart. Some Year 6 children are pictured above holding onto the canes. They were about to walk to the church yard to do some artwork.

And pictured left are some of our Year 1 children, who went for a walk.

SOCIAL DISTANCING IN THE CLASSROOM – THE 2 METRE RULE!

The Year 6 children have been split into two groups so that we can keep to the two metre distance rule. You can see how the desks have been spread out. Each child has their own tray in which they keep their belongings, for example, individual white boards and pens, pencils, paper, glue sticks etc

Pictured left is Miss Lawes with the Year 6 children in her classroom.

Mrs Wakefield is pictured right with some of the Year 6 children in her classroom.

Mrs Wakefield is also managing to set work and keep in contact with the children in her own class, the Lower Juniors, through eschools.

And here are some Year 1 children in Mrs Lomas's class.

Mrs Lomas is standing by the white board (just out of the frame) in her classroom.

Good to see Tristin is giving the thumbs up sign!

SOCIAL DISTANCING OUTSIDE

Left: The Year 1 children take a break in the playground.

Though they are still so young, they understand the need to stay apart. I often hear them call out to each other, 'Don't forget two metres!' when another child gets too close.

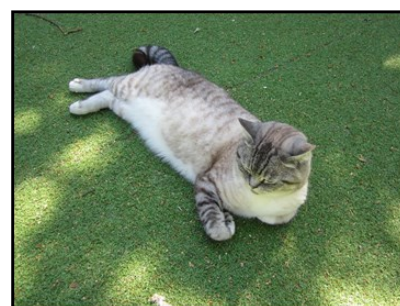

Right: It is the first day back and the children need to get used to the new playground rules

Here some of the Year 6 girls chat away and catch up on what they have been doing these past 10 weeks.

Leah is in the foreground contemplating the changes.

Mrs Scott is pictured below with Ruby Tuesday, Harry and Ned in the Reception class.

The children are happily chatting while eating their mid-morning snack.

Above: Rocco is really the only one who is finding it hard to understand social distancing, though here he is enjoying a bit of me time in the shade

LEARNING CONTINUES AT HOME FOR SOME CHILDREN—LIVVY

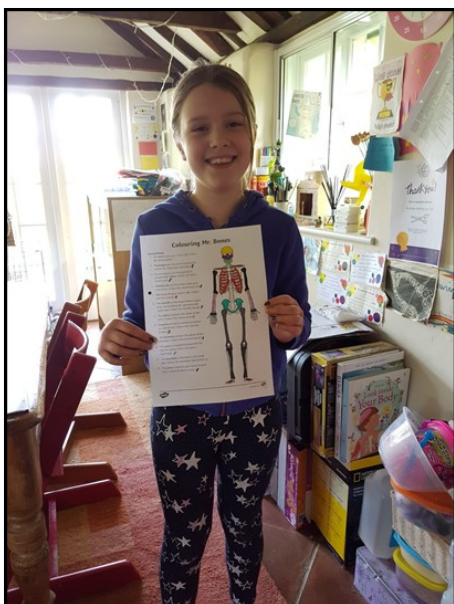

Left: Livvy makes a list of five things she can be thankful for...

- 1. Pets, family and friends**
- 2. A very lovely home**
- 3. Loving parents and a sister**
- 4. Nice, proper food**
- 5. A great education!**

Above right: Livvy's illustrated dragon poem. Apparently the Headteacher gets eaten by the dragon! I wonder if this is why Livvy is smiling?!

Above: Livvy learns about the skeleton and the muscles of the body. She coloured in this funky picture to show where the different bones are

Above: Livvy is using her microscope to scrutinise plant structures

Above: And as part of her science project on plants, she picked lots of petals from her garden to make this beautiful collage

MEIRA, LAURENCE, ELODIE AND CALLULA - healthy lifestyles

Above: Meira and Laurence celebrate after running 5K

Above: Meira hones her cooking skills with this delicious pasta dish

Above: Laurence focuses on learning maths

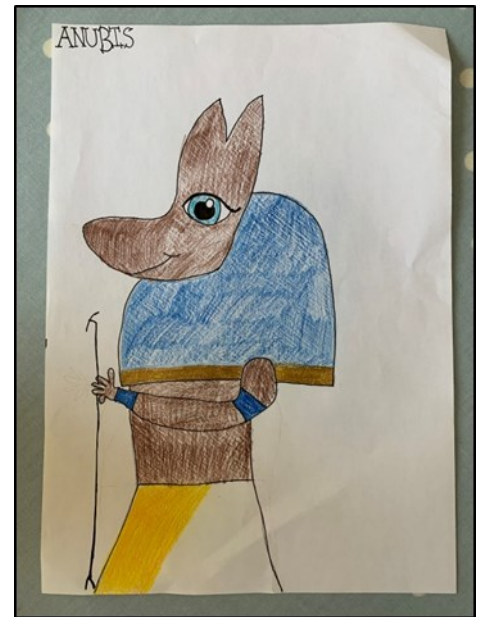

Right: Callula, Elodie, Meira and Laurence set off on a cycle ride

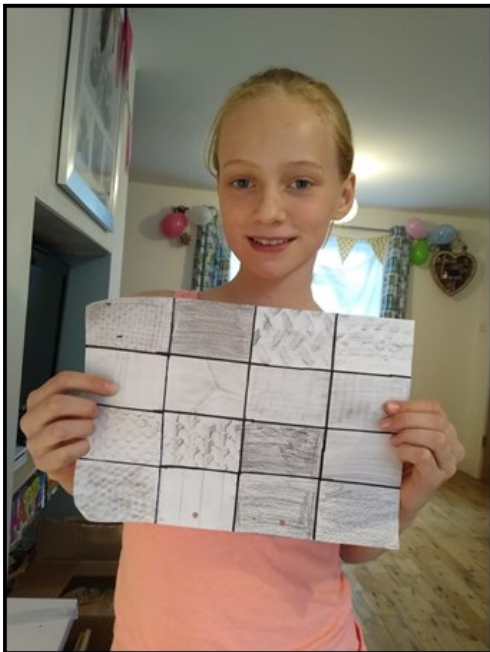

ARTWORK

Left: Jess's artwork. Her design was inspired by artist Bridget Riley

Right: Jess's drawing of Anubis, the Egyptian god of mummification and the afterlife

Above: Meira with her intricate pattern

Right: Georgie paints some colourful rocks.

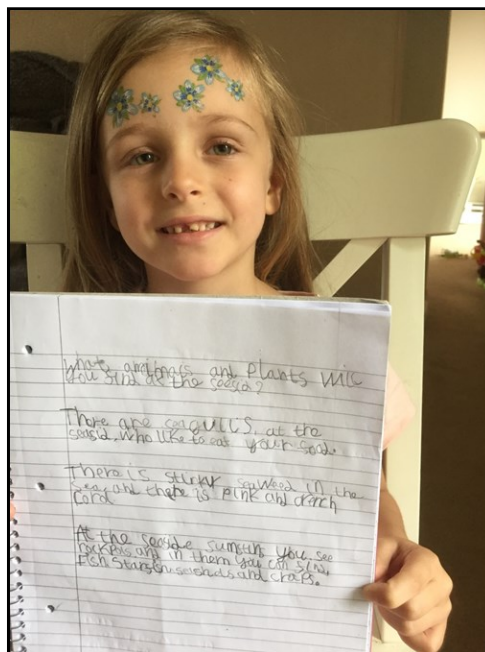

By the way, have you seen the line of brightly painted rocks outside the school gate? These have been painted by children at Lewknor as well as children in the village. It was Elliot's great idea and we will feature it in next week's newsletter

Right: Nature hedgehog by Daisy

Left: Just gorgeous! I love this photo of Riley and Ollie getting their daily exercise. They have the loveliest of smiles

Right: And here is Patience with a fantastic piece of writing all about the seaside. I love the pretty flowers on her forehead

WORD OF THE WEEK

NOMADIC

Adjective

If a group is nomadic, it roams from place to place without a permanent home.

Friends of Lewknor School

We understand that this is a very difficult time for many, but we want to take this opportunity to remind you about Easyfundraising.

You can use Easyfundraising to raise money for Friends of Lewknor School, without spending a penny! It's simple to set up an account and when you shop through the website or app, you earn valuable money for us, at **no cost** to yourself.

If you haven't already registered, please take a look on the following page to see how shopping with the companies registered with Easyfundraising can boost our fundraising pot!

CARD READER NEWS!

We are very excited to tell you that FoLS now have a card reader! Over the coming months we will be able to use this at many events, which we hope will make it easier for parents and the committee.

BANK DETAILS

We are keen to support the school as much as we can financially, although this year our fundraising will be lower than usual due to the current situation. This may mean that we will be unable to fund all the trips and licenses we usually do. We appreciate that many families are struggling financially, but for those who would like to support us by donating money that they would usually have been spent at our fundraising events, and are in a position to do so, we are providing our bank details.

Wishing every child and family at Lewknor School well.
