## A message from the head teacher...

Dear parents, I am writing to you just having come in from lunch break on a dreary Friday afternoon, it was freezing outside but we made it through, I hope the teachers appreciated the children getting outside and that we didn't call wet break—always a popular decision!

A reminder it's Reception parents evening this week on Thursday, Mrs Hopkins and Mrs Hickman look forward to meeting you all then. Reception have continued their great first year of school and I'm sure you'll hear all of the amazing things they have learnt on Thursday.

Teacher run clubs start the week commencing 3.3.25, there is a week's delay because of parents' evening in the first week after half term. Creation station on a Monday will continue as normal. We really hope children enjoy the clubs they have chosen.

If anyone has any Lego they can donate for my Lego club, please bring it in a bag for life to the office—thanks! Any that won't get used in the club will go to reception.

As I approach my first half year as Headteacher, I would like to thank parents for their continued support and I wish you all a lovely half term.

Mr Powell
