

## Inspection Dashboard

The inspection dashboard is designed to show at a glance how well previous cohorts demonstrated characteristics of good or better performance. It contains a brief overview of published data for the last three years. It shows progress first, including from the main starting points.

It includes the key groups: disadvantaged pupils, those who have special educational needs (SEN), girls and boys. Achievement of disadvantaged pupils is compared with the national performance of other (non-disadvantaged) pupils. Cohort sizes are shown; data for very small groups should be treated with caution.

The front page summarises strengths and weaknesses based on only the 2015 data shown in the dashboard, so cannot include absence or EYFSP until their 2015 data are shown in a later release. The strengths give an indication of some features of good or better performance in 2015, highlighting consistency across starting points, subjects or groups.

### Strengths in 2015

- KS2 value added was broadly average or above in all subjects.
- KS2 value added in all subjects was broadly average or above for disadvantaged pupils and those who have special educational needs.
- From at least 5 out of every 6 starting points, the proportions of KS2 pupils making and exceeding expected progress in reading, in writing & in mathematics were close to or above national figures.
- From at least 5 out of every 6 starting points, the proportion of disadvantaged KS2 pupils making and exceeding expected progress in reading, in writing & in mathematics was similar to that of other pupils nationally.
- Disadvantaged KS2 pupils had an average point score equal to or above the national score for other pupils in reading, writing & mathematics.
- Disadvantaged KS1 pupils had an average point score equal to or above the national score for other pupils in reading, writing & mathematics.
- The proportion of disadvantaged KS2 pupils that attained at least Level 4 was equal to or above the national figure for other pupils in reading, writing & mathematics.
- The proportion of disadvantaged KS2 pupils that attained at least Level 5 was equal to or above the national figure for other pupils in writing & mathematics.
- The proportion of disadvantaged KS1 pupils that attained at least Level 2B was equal to or above the national figure for other pupils in reading, writing & mathematics.
- The proportion of disadvantaged KS1 pupils that attained at least Level 3 was equal to or above the national figure for other pupils in reading & mathematics.
- The proportion of Year 1 pupils that met the expected standard in phonics was above the national figure.

### Weaknesses in 2015

- No weaknesses were identified in this dataset

Where a group is identified as in the lowest 10%, it has been compared with the lowest 10% of schools based on the figures for all pupils, and not the figures for the group nationally.
