OUR BRILLIANT KIDS!

We have added some more films made by our super clever children on the front page of our website. At the bottom of the page under 'links and downloads' you can now see James's space Scratch coding program. James (pictured above) provides a running commentary throughout and he is a dab hand at it!

Alex (pictured above) also made a very informative film about the planets in our Solar System. I think both boys have a future as documentary makers – I was impressed with their very polished performances. Mrs Lomas also put together a lovely presentation of all the artwork her children had completed when they were asked to design a playground. Well done!

Headteacher's Welcome

THERE'S SNOW PLACE LIKE HOME! APART FROM SCHOOL, OF COURSE!

I love these photographs of the children having fun in the snow. Pictured left is Zofia with a very smiley snowman she made with her sister. How on Earth did she manage to climb up its back?

Brothers Riley and Ollie are pictured having a snowball fight outside their home. I know neither of them would have got hurt because they are both sensible boys!

Great to see the children getting lots of exercise in the fresh air.

And thank you so much for sending in all your photos. I have got some more lovely pics of Emmie, Matilda, Si-Si, Jasmine, Holly and Isla to come in the next newsletter after the half-term holiday. Please do keep sending them in. Thank you.

CHILDREN KEEP FIT WITH A RANGE OF EXERCISE ACTIVITIES

These photos of James and Charlie show the boys doing some indoor cycling on Zwift. This is something the boys enjoy on rainy days. They have taken part in Tour de Zwift with a different event each week and some can take up to an hour and a half to complete. Mum Nicola said the boys really enjoy it and they give each other support as they ride.

And here are Mia, Elexia-Rose and Jayden exercising to Just Dance 2021. Mia explained that it was a game and that you have to keep in time with all the dance moves that you can see on screen, and you get scored on your moves. Mia added that she won!

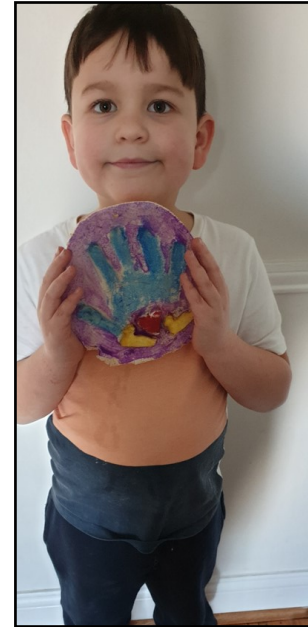

Seeing this photo of Ewan made me think how grown up he is all of a sudden. He is pictured here with his beautiful dog Bruce. Ewan walks his dog every day and they cover at least 3 to 5 kilometres each time.

REMOTE LEARNING COVERS THE FULL CURRICULUM

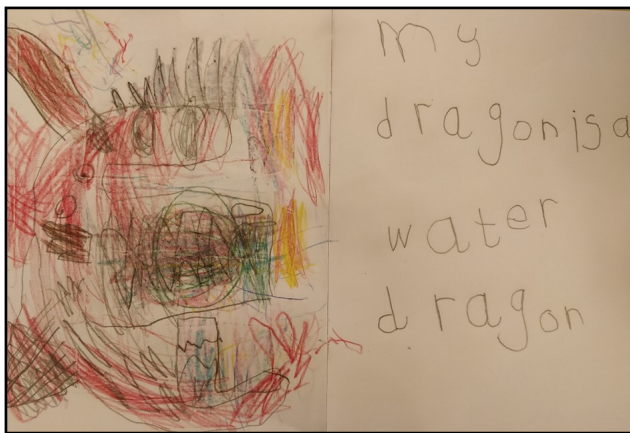

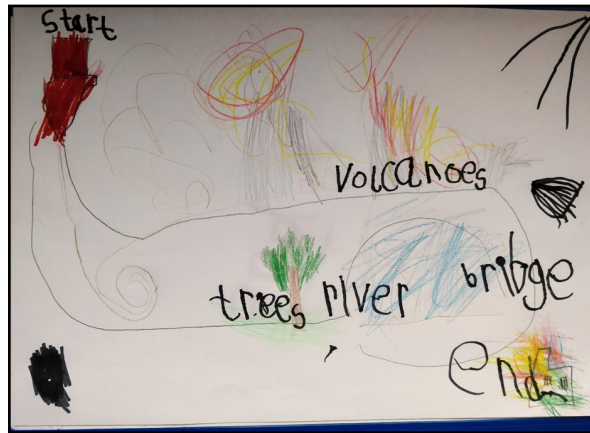

Brothers Jake and Harry look very busy making salt dough for their art projects, and here is Harry with his finished product. I am sure his mum will keep this artwork of his hand print for ever!

And here is Devon, who always has a smile on her face. She is pictured left with her art playground design and pictured right doing some maths mastery activities. I think her dog is being very patient while Devon finishes her book. He certainly looks like he wants her attention.

RORY ROCKS!

This writing and these drawings are the work of Rory, a child in our reception class! Miss Harjette was very impressed and so pleased with Rory's hard work that she sent these photos to me to be included in this week's newsletter. Rory, who is pictured above, will receive a headteacher's award through the post for his amazing work. Well done, Rory. Miss Harjette and I think you are a SUPERSTAR!

CARD READER NEWS!

BANK DETAILS

We are keen to support the school as much as we can financially, although this year our fundraising will be lower than usual due to the current situation. This may mean that we will be unable to fund all the trips and licenses we usually do. We appreciate that many families are struggling financially, but for those who would like to support us by donating money that they would usually have been spent at our fundraising events, and are in a position to do so, we are providing our bank details.

Wishing every child and family at Lewknor School well.
