School Vision

Vision

Like the wise man who built his house on rock, we seek God's wisdom to enable us to nurture our school community so that all can flourish and achieve their best in every aspect of school life.

Our School Motto

Building strong foundations for a happy and successful life.

Matthew 7:24-27

²⁴ "Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. ²⁵ The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. ²⁶ But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. ²⁷ The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash."

Our Aims

At Lewknor Church of England Primary School we foster in every child a sense of their own individuality. We enable pupils to identify and use their skills and talents by engaging in a meaningful and exciting curriculum, taught by passionate and inspiring people from the teachers and teaching assistants to parents, leading to outstanding progress in all areas. Our close family community helps pupils to engage in respectful relationships with others, and develops a sense of responsibility and confidence that drives a thirst for learning.

Our aims for all members of the school community— pupils, staff, parents and governors— are:

- To achieve excellence in both academic learning and personal conduct
- To promote Christian values and an awareness of the value of life itself, whilst fostering a sensitivity towards the beliefs and values of others
- To develop a sense of responsibility and respect for ourselves, for others and for the world in which we live, enabling us to make considered, confident and informed choices about our lives
- To build and maintain positive relationships
- To encourage enthusiasm for lifelong learning and personal development for all members of our school community
- To prepare for the future challenges of education and of adult life
- To encourage reflection about self, learning and personal growth
- To develop independence as well as team-working skills
- To be mindful of our safety and the safety and welfare of others
- To continue to be an integral part of the community, to ensure the viability of the school for future generations

The Church

The school was founded by the Church of England, and it is proud to retain its 'voluntary controlled' status today as a church school. This means that the school works in partnership with the local church and diocese to provide a service to the local community that is rooted in Christian values and is open to all.
